# From the Editor

## Welcome to the first edition of Costa Conexión!

If you've ever found yourself scrolling endlessly through Facebook groups asking "Does anyone know a good plumber?" or "Who can I trust for legal help?" — this magazine is for you.

We started Costa Conexión because finding reliable local services along the Almería coast shouldn't feel like a gamble. Whether you've been here two months or twenty years, whether you're Spanish or an expat navigating life in a new country, everyone deserves to know exactly who to call when the boiler breaks, the NIE needs renewing, or you just want to find the best local restaurant that hasn't made it onto the tourist trail yet.

### Inside this issue, you'll find:

✓ **Verified local tradespeople** —

from electricians to pool maintenance, vetted and reviewed by your neighbors

✓ **Essential expat services** —

legal support, residency help, insurance, estate agents who actually answer the phone

✓ **Local restaurant & business directory** —

hidden gems and trusted favorites across Almería's towns

✓ **Exclusive deals & vouchers** —

because locals should get local perks

✓ **Community news & events** —

what's happening in Albox, Arboleas, Huércal Overa, Mojácar, and beyond

But this magazine is more than just a directory. It's a bridge between the businesses that make our towns tick and the people who keep them going. Every business listed here isn't just an advert — they're your neighbors, they're part of the community, and they're here to help.

We've also built this to be genuinely useful. **Toss it in the kitchen drawer, leave it by the landline, keep it in the glove box** — wherever you'll actually find it when the pool pump dies or you finally decide to fix that leaky tap. Bookmark our website ([costaconexion.es](http://costaconexion.es)) for when you need help fast. Join our WhatsApp channel for instant deals and local updates. And most importantly — tell your friends. The stronger our local network, the better we all do.

Thank you for picking up this first issue. Whether you're here for the tradesman listings, the restaurant vouchers, or just a bit of light reading, we're glad you're here. Here's to building something useful, together.

COSTA CONEXION - LOCAL SERVICES

# Got a leaking tap? Don't wait.

A small drip might not seem urgent — but left unchecked, a leaking tap can waste over 5,000 litres of water a year, damage your tiles, and quietly push your water bill through the roof. Around here, the dry summers make it worse. The good news? A trusted local plumber can fix most issues in a single visit.

 **Quick Tip**  
Before calling a plumber, know where your main water stopcock is. In most Almería properties it's under the kitchen sink or outside near the meter. Turning it off quickly can prevent serious water damage.

# LOCAL NEWS ARTICLES FINALISED BEFORE PRINT

PHOTOGRAPHY BY FRANCOIS MERCER | BY MARGARITA PEREZ

A magazine is a periodical publication, which can either be printed or published electronically. It is issued regularly, usually every week or every month, and it contains a variety of content. This can include articles, stories, photographs, and advertisements.

To create your own, choose a topic that interests you. It can be anything from fashion and beauty to travel and the news. Once you have your overall theme, you can start brainstorming the content. Just starting? Design a memorable masthead with an equally memorable name. This goes on the cover and sets up the branding for your entire magazine. What style are you going for? Is it playful? Classic? Bold? A good masthead captures the essence of your magazine, so it needs to be flexible, meaningful, and consistent enough for future issues.

Next, think of a compelling feature for your cover story. This will be what draws your audience in. Make sure that you have accompanying visual content that immediately catches the eye. Include photos, illustrations, and other graphics to match. Appeal to your audience, choose the right fonts and images, and you'll have a magazine that people will remember for years to come.

When you've decided on your cover story, come up with a list of topics for your feature articles. This can range from interviews, product reviews, human interest pieces, and even lists. Think about what your audience would be interested in and get writing! Again, choose engaging photos and graphics to accompany your words, as these also help catch your audience's eye.
